

## Directions from the Calais Ferry Terminal

If programming a sat-nav: the town is Hallines, the gates are on Rue de l'Eglise, and the postcode of the region is 62570.

Reset your car's milometer to zero while on the ferry if possible. On departure from the ferry, you'll find yourself on the N216 following signs for Paris, Reims and Saint Omer. This takes traffic east along the coast, then turns south after about 3 kilometres.

### **4 miles / 7 kilometres from the ferry:**

You will come to a large junction, and as you pass over a motorway you need to take the exit sign-posted Saint Omer, Arras, Reims, Paris. You are joining the A26 - or the Autoroute des Anglais.

After about 8 minutes you will see a road sign on the right showing that St Omer is 38 kilometres away. That is the exit you are heading for.

### **25 miles / 40 kilometres from the ferry:**

Come off the A26 at Exit 3, signposted St Omer, Arques and Lumbres.

There is an unmanned toll here. The right hand lane accepts bankcards.

100 metres after the toll, there is a roundabout. Take the second exit onto the D342, towards Setques. It is also signposted Esquerdes and Wizernes.

Do NOT take the first left turn to Wisques and Longuenesse, but after 1.3 kilometres turn left just past the church, signposted Esquerdes and Wizernes and La Coupole.

Stay on this road, the D211, as it goes through Esquerdes. After passing over a motorway you will reach Hallines. Drive into the village, and at the first traffic lights turn right onto Rue de l'Eglise.

Pass the church on your left and drive straight on for fifty metres.

At the sharp bend, being careful and using the mirror on the pole, drive through the white gates. Park to the left of the house, by the front door.
